

AMERICAN ANGUS ASSOCIATION®
STANDARD CLASSIFICATION FOR
JUNIOR HEIFER REGIONAL, REGIONAL PREVIEW
AND NATIONAL JUNIOR ANGUS SHOWS

Any classes listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in class 4, the class should be broken into two classes of 8; a class of 7 and 9; or a class of 10 and 6.

Example 2: If 32 head are entered in class 4, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

THIS CLASSIFICATION IS EFFECTIVE FOR SHOWS
FROM JANUARY 1, 2020 TO MAY 31, 2020

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown — Champion and Reserve Champion placings are not counted in number of head shown
