

# ANGUSLINK<sup>SM</sup> ENROLLMENT STEPS

## 1 SUBMIT ENROLLMENT FORM

*Complete 6-8 weeks prior to sale date.*

- Decide what AngusLink claims you want to enroll your cattle in and submit enrollment form online or by email. Age and Source Verification is required for all enrollees.
- Submit calving records at this time.

## 2 SCHEDULE PHONE TRAINING

*Plan for 20-30 minutes depending on the claims enrolled in.*

An AngusLink administrator will call and schedule a phone training once the initial enrollment is completed. Anyone who manages the day to day activities and markets the cattle should sit through the training.

## 3 ADDITIONAL STEPS BASED ON CLAIMS

*Complete 30 days prior to marketing window to avoid rush fees.*

- **AngusVerified** | Angus sires must be registered and transferred.
- **Calf Management** | Submit receipts and usage of required products.
- **Cattle Care & Handling** | Provide current BQA Certification and complete onsite review for the first year.
- **NHTC & NHTC/NE3** | Provide all feed labels, usage documents, affidavits, receipts and schedule onsite review.
- **Genetic Merit Scorecard** | Provide bull battery information.
- **Global Animal Partnership (GAP)** | Offered in partnership with Earth Claims.

## 4 RECEIVE VERIFICATION & CERTIFICATE

*Receive approximately two weeks after all steps are completed and onsite review takes place.*

## 5 MARKET CATTLE

*List cattle for up to 90 days prior to marketing.*

Complete the marketing document to have cattle listed on the AngusLink website, Facebook page, and included in weekly emails to over 800 potential buyers.
