

**OPEN SHOW
AMERICAN ANGUS ASSOCIATION®
SHOW CLASSIFICATION FOR ANGUS**

Any classes listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in class 4, the class should be broken into two classes of 8; a class of 7 and 9; or a class of 10 and 6.

Example 2: If 32 head are entered in class 4, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

If there are more than 30 head in a division, the division should be split into Early and Late divisions.
