

NJAA COMMUNITY SERVICE PROJECT

The NJAA aluminum tab collection was introduced at the 2007 National Junior Angus Show (NJAS) in Tulsa, Okla. This contest is designed to reward state junior associations for their collection of the highest number of pop tabs to be donated to the local Ronald McDonald House. Each state is given collection bags at the first of the week, but is encouraged to bring tabs they have been collecting through out the year.

<u>YEAR</u>	<u>TOTAL LBS</u>	<u>TOTAL TABS</u>	<u>DONATED TO</u>
2007	14	18,500	Oklahoma City
2008	655.4	830,392	Des Moines
2009	1,371.50	1,755,520	Macon, GA
