Outstanding Leadership Award (OLA)

The OLA was instituted in 1994 in memory of Barbara Smalstig and her support of the National Junior Angus Association (NJAA). It was designed to recognize one outstanding NJAA member each year at the American Angus Association Annual Banquet. This award is available only to members of the NJAA who are 14 years of age or older as of January 1 of the current year. This prestigious award is based upon the leadership that has been exhibited by the nominee through their Angus and various other activities as presented in their report form. The OLA recipient will receive an award presented by the NJAA and a check for \$500 from the Angus Foundation. **The application is due May 1.**

Advisor of the Year

Behind every successful junior Angus group are dedicated advisors. Each year at the National Junior Angus Show (NJAS) one advisor or advisor team is given special recognition by being named "Advisor of the Year." State junior Angus associations may nominate an advisor that they feel has been instrumental in the success of their association and the development of its members as active, responsible and enthusiastic individuals. **Nominations are due March 1.**

National Junior Recognition Program

The American Angus Association established a National Junior Recognition Program in 1972. It has been successful in providing an opportunity for young Angus breeders to become nationally recognized for continued achievement. This program is based on activities over a junior member's entire career. There are three levels of recognition; Bronze, Silver, and Gold. Bronze and Silver Awards can be earned at any age. The Gold Award, however, will be given only during the last year of eligibility as a junior member. Winners of the various levels receive a specially designed pin, cast in the metal of the respective award (Bronze, Silver, or Gold).

Crystal Award

The Crystal Award is sponsored by the American Angus Auxiliary and is awarded to the highest placing male and female junior Angus member in all the contests held at the NJAS.

Silver Pitcher

The American Angus Auxiliary awards the top placing male and female exhibitors at the NJAS with a Silver Pitcher. Points are awarded in each of the following categories: steer, cow-calf, owned heifer, bred-and-owned bull, and bred-and-owned heifer.

American Angus Auxiliary Scholarships

The American Angus Auxiliary awards scholarships annually to five young men and five young women who have demonstrated exceptional participation and achievements in Angus projects, school, community and church, and superior character. Coordination and administration of this scholarship program lies with the Auxiliary. Applications are available from your state Angus Auxiliary and the American Angus Auxiliary Scholarship Chairwomen. The winners are announced at the NJAS.
