The plans for the “Cowboy Boot and Angus Roots” edition of the Eastern Regional 2018 Junior Angus Show on June 14-16 are in place. This show will give you the opportunity to make new friends, renew old acquaintances and have a great time while exhibiting your Angus cattle. Please note all of the specific information for this show (the Eastern Regional), in this section. You will also need to review the “general rules” section as they apply to all the shows listed in this packet.

The 2018 Eastern Regional Junior Angus Show is being held in Lima, OH at the Allen County Fairgrounds. I encourage you to make your hotel reservations early to guarantee your room. Please ask for the Angus block at the hotel listed.

Please note that the applications for registration and transfer of ownership must be recorded in the sole name of the exhibitor and postmarked by May 1, 2018. If you don't have registration papers on newly purchased animals in your hands two weeks prior to the ownership/transfer deadline for a particular show, please contact the American Angus Association. NO LATE TRANSFERS WILL BE ACCEPTED AFTER THE DEADLINE.

Entries must be postmarked by the U.S. Postal Service no later than May 1, 2018. NO LATE ENTRIES WILL BE ACCEPTED! The entry fee of \$50 per head plus a \$30 bedding fee per head must accompany the entry form.

If you have any questions, contact the Events & Education Department at the American Angus Association.

A new show will be implemented at the 2018 Eastern Regional Junior Angus Show, the Phenotype and Genotype Show (PGS). The objective behind the show is to create another avenue for juniors to show their heifers in an additional competition while providing an educational opportunity to learn about the value of Estimated Progeny Differences (EPDs) as a part of the process in selecting seedstock. Animals entered in the PGS will be evaluated by a judge under a system that requires both genotypes and phenotypes to be considered. The results will be a composite score where the genotype EPDs placings and phenotype placings will be equally weighted at fifty percent. See njaa.org for more details.
