

The State Training and Angus Retreat (STAR) is a 3 day conference that was created to strengthen the communication between the state and national associations, as well as allow state officers and advisors the opportunity to gain knowledge while also receiving training on various leadership skills. A tentative schedule for the conference is Friday - extensive association tour and goal discussions; Saturday – workshops, presentations, and training; Sunday – training applications, and travel home. This conference is open to all state advisors and only the following junior state officers: President, Vice-President, Secretary, and Treasurer. If you have questions about STAR, please contact the Events and Education Department at 816/383-5100.

Saint Joseph, MO

February 28-March 3

Registration Deadline February 1

Registration Fee: \$75 for advisors and juniors

See registration form, medical release and NJAA member code of conduct on the NJAA website (www.njaa.info).

ONLY the state advisor(s) that will be participating in the conference will be allowed to attend the overnight STAR conference. All chaperones will be American Angus Association employees.

Raising the Bar is a 3 day conference that build stronger leaders within state associations, create regional relationships, while preparing juniors for the future. Materials covered in Raising the Bar targets high school age students and older. A tentative schedule for the conference is Friday - extensive campus tour; Saturday – workshops, ranch tours, and farm tours; Sunday – workshops and travel home. Social activities, games, and ice breakers will also be provided to rekindle old and create new friendships. If you have questions about Raising the Bar, please contact the Events and Education Department at 816/383-5100.
