**Tradition**  
*Continues*

*For more than 60 years* the American Angus Auxiliary, composed of hard working mothers, grandmothers, wives, sisters, and daughters from all over the country, have dedicated their time and effort in supporting their common passions. These passions are our love of Angus cattle and our enthusiasm for supporting Junior Angus members through educational activities, programs, and scholarship opportunities. Express Ranches of Yukon, Oklahoma, has partnered with the American Angus Auxiliary's fund-raising efforts and has graciously donated an exceptional bred heifer. The American Angus Auxiliary will be auctioning this female Sunday, June 16, 2013, at the All-American Angus Breeders' Futurity held at the Kentucky Exposition Center, Louisville, Kentucky.

### EXAR Rita 5681 (17033940)

Sired by the \$210,000 top-selling bull of his calf crop at Connealy Angus Ranch whose sons and daughters have topped sales across the nation for the past two years, this powerful bred heifer descends from the legendary G A R EXT 614, a female whose progeny have broken virtually every individual sales record in Angus breed history. The donor dam of this heifer was the \$60,000 top-selling female of a past Sterling Hunter sale in Michigan and currently serves as a joint embryo donor for Express Ranches, KiamichiLink Ranch and Pollard Farms in Oklahoma and her dam and grandam have both reigned as the top-valued cow of the Angus breed at some point in their illustrious lifetime. Examined safe to calve August 2, 2013, to EXAR UPSHOT 0562B.
