SCURS
An animal with scurs (any portion of horny tissue attached to the skin of the hornset of a polled animal) is not eligible for entry.

COLOR
An animal red in color or with white skin above the underline or in front of the navel, or on the leg, foot, or tail is not eligible for registration. Steers may have white skin in front of the navel, and must meet all other color requirements.

Application for Entry
American Angus Herd Book

1. Calves listed on this application must be from one member only.
2. Use appropriate form for certification of service sire if required.
3. If ET calves result from split, indicate under embryo removal date.
4. Identify permanent ID by type: Tattoo (T), Freeze Brand (FB) or Hot Brand (HB)

Calves cannot be transferred when using this form.
