

Angus Impact 2023

Angus Impact is the official National Junior Angus Association community service program. The goal is to encourage NJAA members and State Association's to make their mark, leave their impact and be the change through acts of service.

2023 Angus Impact Theme: **Service to Schools**

A list of these items includes but are not limited to:

- Book Bags
- Card Stock (White and Colored)
- Crayons
- Markers
- Thin Highlighters
- #2 Pencils
- Pens
- Thin Line Dry Erase Markers
- Paper Towels
- Hand Sanitizer
- Kleenex
- Disinfecting wipes
- Wide Lined Notebooks
- Flashcards
- Quart and Gallon size Ziplock baggies
- Glue / Glue Sticks

Throughout the year NJAA will provide opportunities for members to participate in acts of service at the following events: *Raising the Bar, Western Regional Junior Angus Show, Eastern Regional Junior Angus Show, National Junior Angus Show and LEAD conference.* Our focus will be to donate to different organizations in the area that would benefit from the theme. More information on what participants can bring to each event will be included in their confirmation packets.

State Association Rewards Program

To encourage participation in Angus Impact throughout the nation, the NJAA will reward and honor any state association that has conducted more than 2 acts of service starting from August 2022 – June 2023. We will recognize any states who qualified at the 2023 National Junior Angus Show. Submissions from states will also be highlighted on the National Junior Angus Association social media.

How to Qualify:

To qualify for the rewards, the state association must return the 'Angus Impact Donation Form' to the Events and Junior Activities Department by **June 1, 2023**. *Please submit a form for each Act of Service completed.*

Examples of Acts of Service but certainly not limited to:

- Passing out cards at local nursing homes
- Making quilts for those in need
- Donations to local organizations in need of the 2023 Angus Impact theme
- Working at the local food bank
- Participating or organizing a charity race

Disclaimer: We happily encourage attendees of NJAA events to participate in the community service projects provided. However, donations at those events do not count towards the 2 acts of service state associations can be rewarded for. The goal of the rewards program is to encourage acts of service not only at NJAA events but outside of those events at the local level.
