

MaternalPlus® - Re-enrollment

Step 1: Navigate to the “Cow/Heifer Inventory List”.

Second option: “My Herd” -> “Animal Lists” -> “Cow/Heifer Inventory List”

Step 2: Upon entrance into the “Inventory List”, several pieces of information are available:

The screenshot shows the MaternalPlus COW/HEIFER INVENTORY interface. Annotations highlight the following features:

- Filter your animals by specifications including birth ranges, animal sets, etc.**: Points to the filter section at the top.
- Filter Cows or Heifers separately to take care of them all at once.**: Points to the "Cows/Heifers" dropdown menu.
- Requirements Not Met**: Points to the "Requirements Not Met" button in the filter section.
- Total Females Enrolled: 64 Cow Requirements Not Met: 14**: Points to the summary box on the right.
- Use the "Requirements Not Met" button to pull up your list of animals needed attention.**: Points to the "Requirements Not Met" button.
- A summary of the total females you have enrolled and how many of them need attention for that enrollment year.**: Points to the summary box on the right.

Step 3: Use the “Requirements Not Met” button to find cows that need attention.

The screenshot shows the MaternalPlus interface with the "Requirements Not Met" filter applied. The table displays 105 records found. The table has the following columns:
