

National Junior Angus Association

Beef Science Poster

The purpose of the Poster contest is three-fold:

- to display the creativity of NJAA members.
- to share information about prevalent beef science topics.
- to provide a fun, educational and competitive activity for interested juniors.

DETAILS

Contestants will create a poster on a veterinary science or animal science-based topic and then prepare a 1-minute poster overview to a panel of three judges who can ask the contests questions pertaining to their poster. No separate interview and poster divisions, only an overall. No tri-fold posters or three-dimensional posters.

WHO CAN ENTER

HOW TO ENTER

Sign up through AAA login or at NJAS check-in. Must bring your poster and turn it in at check-in.

Do not mail the poster to the AAA office.
