Angus enthusiasts of all ages will gather for a Showdown in Madtown on June 29-July 6 at the Alliant Energy Center. The 2024 National Junior Angus Show will be full of excitement for Angus cattle and the National Junior Angus Association (NJAA). The American Angus Association, Auxiliary and Junior Angus Association have put in countless hours to make this year's event a great success.

The NJAS is much more than the world's largest single-breed beef show - it is the highlight of the year for the NJAA. The spotlight for the week is placed on the junior members as they participate in the cattle competition, the national showmanship contest and the various individual and state contests held throughout the week.

We would encourage you to make your hotel reservations early. The hotel listing is also available on the 2024 National Junior Angus Show website at www.njas.info.

Please note that the applications for early registration and transfer of ownership must be recorded in the sole name of the exhibitor by May 15, 2024. If you don't have registration papers on newly purchased animals in your hands two weeks prior to the ownership/transfer deadline for a particular show, please contact the American Angus Association. **NOTE: OWNERSHIP AND EARLY ENTRY DEADLINE: MAY 15. NO LATE REGISTRATIONS OR TRANSFERS WILL BE ACCEPTED AFTER THE DEADLINE.**

Late Entries may be completed from May 16 - 31, 2024. Late Late Entries will be accepted from June 1-June 15, 2024. Note, the increase in entry fees each time. Ownership date of May 15, 2024 pertains to Late and Late Late entries. After June 1, entry not guaranteed in the show program.

Please note all of the specific information for the NJAS is on the website. You will also need to review the "general rules" section as they apply to all the shows listed in this packet.

If you have any questions, please contact the Events and Junior Activities Department at the Association. For more information about the contests held during the NJAS please see the "contest" section of this pamphlet or visit the NJAA website at www.angus.org/njaa.
