ANGUS. ONLY ANGUS.

There's only one DNA profile created specifically for Angus cattle.

Angus GS™ is the new standard in genetic testing for Angus cattle. Created by Angus Genetics, the profile is purely Angus DNA, so it will have better predictability and deliver more power and accuracy than any previous generation genomic enhanced EPD, and at a much greater value. Visit angus.org/agi for the test that only Angus Genetics could create.

FOR ANGUS. BY ANGUS.
