

HEAD OF THE CLASS.

When it comes to delivering better performance, growth, and marbling, Angus calves are the head of the class.

In fact, Angus steers and heifers bring an average of almost \$25^a more per head than their non-Angus contemporaries. And, by leveraging Association programs like Angus LinkSM and AngusSource[®], they'll deliver better results for your operation. Invest in America's breed today and ensure your calves are the head of their class tomorrow.

Angus. America's breed.
